

***Interactive comment on “Automated field detection of rock fracturing, microclimate, and diurnal rock temperature and strain fields” by K. Warren et al.***

**L.V. Eppelbaum (Editor)**

levap@post.tau.ac.il

Received and published: 16 October 2013

I believe that the MS "Automated field detection of rock fracturing, microclimate, and diurnal rock temperature and strain fields" after careful revision is ready for publication.

Prof. Lev Eppelbaum Assoc. Editor
