

Interactive comment on “Radio frequency interference mitigating hyperspectral L-band radiometer” by Peter Toose et al.

Peter Toose et al.

peter.toose@canada.ca

Received and published: 4 November 2016

The authors have made changes to the original manuscript based on the comments/feedback from the reviewers, in-addition to some minor editorial changes. All changes were made in MS Word with the track-changes-on, highlighting all additions/deletions. A PDF version of this revised manuscript with track-changes-on has been uploaded as a supplement to this comment. The previous comment posted by the authors also had an uploaded supplement that referenced the revised manuscript.

Please also note the supplement to this comment:
