Dear Author, There are some questions and corrections below.Please fix your article according this directions.

1. Despite the fact that the title of the article is mainly regarding the NDVI thematic changes, the abstract did not include anything regarding that. Please add to the abstract results about that. 2. In page 3, line 52, the reference is not with the journal style. 3. In page 5, line 105, what do you mean almost? 4. In page 5, line105, what do you mean random? 5. In page 8, lines 146-147, didn't bring anything new, kindly omit. 6. In page 9, lines 172-184, when is the early and late acquisition were taken? 7. In page 9, lines 172-184, when is the early and late acquisition were taken? 8. In page 9,
