Dear Author,

In my opinion your manuscript has a scientific quality. Your article needs only a few corrections which are below:

1. In the references section,

* In lines 346,369, 370,373, 376, 378, 384, 397, 402, 405, 408, 411, 413, 414, 416, 419 and 421 the authors name were written entirely open, please write the names in the correct style for the references section.

* In line 368 the author name was written entirely open, please write the name in the correct style for the references section. And add the journal name please.

2. In line 104, Elhag and Bahrawi,2016 or 2014? please check the year correctly.

3. Please add more information about the climate of the study area. For example the minimum and maximum temperatures according to the seasons and precipitation rates.

Best regards,

Nese YILMAZ
