With the next revision, please rename the section "Annex" to "Appendix".	Changes noted and applied as suggested
Please ensure that the colour schemes used in your maps and charts allow readers with colour vision deficiencies to correctly interpret your findings. Please check your figures using the Coblis – Color Blindness Simulator (https://www.color-blindness.com/coblis-color-blindness-simulator/) and revise the colour schemes accordingly.	We have edited the images to become sensitive to colour blind readers as suggested.
